Evaluation Request

I understand that submission of this form does not guarantee a rating upgrade. The facility may require an on-court I-SOAR evaluation or review of competitive results before making a determination. Once the evaluation is completed, ratings will be adjusted within a weeks time. If your rating does not change within a week it has been determined you're ineligible for a rating upgrade at this current time. Additional feedback regarding rating change denial may be requested via email. **Players may request to be reevaluated quarterly.**
